

Bio-Refresher

Biocare 885 Frebriç's

Biocare®

**ANTI-BACTERIAL
PRE-TREATMENT
SYSTEM!**

FOR FAST & EFFECTIVE FABRIC ODOUR REMOVAL

Safely Removes Odours On Virtually All Types Of Fabrics

Frebriç's refresher spray is environmental friendly that is neutral and safe for skin. It is specifically formulated for removing bacteria odor trapped in fabrics rather than covering it up. Frebriç's contain a proprietary active system that will continue activating even when the fabrics dry up, preventing new odor from trapping back while leaving an excellent long lasting scent.

Application

- > Household, Hotel, Housekeeping, Sanitary care, Car Interior, Cloths, Shoes, Cupboard, Fridge, Carpet, Curtains & Sofa.

Sofa

Clothes

Carpet

Car Interior

Shoes

Direction

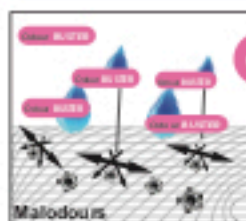

- > Hold spray nozzle 30-40cm away from fabric surface. Spray fabric evenly till slightly damp. Deodorising is activated as fabric dries. Drying normally takes a few minutes, depend upon how heavily the fabric is sprayed.

Appearance

- > Foam: Liquid
- > Colour: Very Light Brown
- > Odour: Characteristic Light & Clean Scent

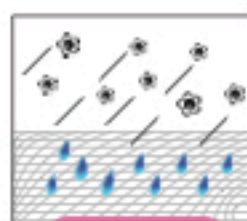

Cautions

- > Used only as intended. Keep out of reach of children. Do not spray directly towards face. Rinse well if contact with eyes.
